

# 30's Playtime

## Chloe's Closet

From functionality to fashion, feed sack fabrics have endured for almost a century because of their versatility. Small-scale florals mix with polka dots, geometrics and there might even be a few puppies. Use these prints to make aprons and items to decorate your home, for sweet zipper bags or something pretty to wear when the weather gets warm. Quilts? 30s Playtime will always be perfect for that too.
